

## **Hotel du Vin opens doors to food and drink producers**

Cotswold Taste works closely with food and drink producers and also the hospitality sector so we were delighted to have Hotel du Vin / Malmaison at the food and drink event at the Queens Hotel on 20<sup>th</sup> May 2022.

Hotel du Vin Cheltenham is delighted to also open its doors to a selection of local independent businesses for a marché fermier! – an opportunity to showcase some of the amazing produce and products which Cheltenham and Gloucester have to offer.

Hosted in the Hotel du Vin Bistro and Jardin on Sunday June 12<sup>th</sup> from 1pm – 3.30pm, there will be space allocated to each supplier and a networking opportunity after the event where you can meet the new team at HDV as well as some local traders.

The bar is available for bar snacks and drinks throughout the day and tickets will be available complimentary via Eventbrite.

They would like to ask that if you do wish to join them and if you feel comfortable doing so that you make a donation to charity either in advance or on the day. The two fabulous charities that they will be supporting are Vision21 and The Burnt Chef Project which are both great causes, the details of which are below.

If you would like to join them, please respond by 6<sup>th</sup> June and they can allocate a space for your business. They ask that in your confirmation email a copy of your public liability insurance is included. If you require anything further for set up if you let them know via email they will do their best to ensure that your requirements are met.
