

Join the Cotswold Food and Drink Community

Cotswold Taste is an organisation for food and drink produced locally that promotes quality and in a way that does not harm the unique landscape and environment within the Cotswolds and the surrounding area. This is embedded into the Co-operative's Members Promise:

"... to support the outstanding natural beauty and special qualities of the Cotswolds. We commit to managing our business in such a way as to actively conserve and enhance the high qualities of the landscape, wildlife and natural resources, the rich heritage and thriving communities of the Cotswolds."

Local. Passionate. Connected.

Working with food and drink from local producers and artisan food businesses here in the Cotswolds ensures consumers know where their food comes from, how it is produced, and helps the local economy and job creation.

Cotswold Taste is passionate about the brand values highlighted in the “Cotswolds Promise” a commitment on the part of all members of Cotswold Taste to high standards – ensuring local provenance and quality of supply.

Cotswold Taste aims to connect artisan food and drink producers with consumers; promote the benefits of buying locally; and support and promote the food and drink coming directly from the Cotswolds “food chain”.
